# Inuit Societal Values

- The Government of Nunavut is committed to the promotion and integration of Inuit Societal Values (ISV) at all levels.
- Contribution funding is available for projects designed to strengthen the role of Elders in the community as a means of addressing social wellness issues based on Inuit Societal Values.
- The broad objective of ISV contribution funding is to improve community wellness by establishing high levels of cooperation between community services agencies and groups using Inuit approaches to dealing with social problems and issues.
