We invite you to join us for a wonderful evening of warm hospitality and information sharing, including the launch of our special issue of the Journal of Northern Public Affairs

Formed in 2003, the Land Claims Agreements Coalition has membership representing Inuit, First Nation and Métis modern treaty organizations and governments in Canada. Our objective is to ensure that modern treaties are fully implemented in spirit and intent, and to work closely and collaboratively with the Government of Canada and our other partners to bring this about.

Collectively, modern treaties affect close to half of Canada's lands, waters, and natural resources.
